

electric vehicle service protection

Extra protection from the unexpected

Have an electric vehicle? The optional VroomProtect Electric Vehicle Service Protection (eVSP) product delivers added mechanical coverage beyond your factory warranty to help protect you from unexpected repairs expenses.

Added protection beyond your factory warranty

Coverage up to 10 years or 120,000 miles¹

Nationwide service available at all authorized repair facilities

Pay nothing on covered repairs other than the deductible selected at the time of purchase, if applicable

24-hour roadside assistance, including towing reimbursement⁴

Exclusions apply⁵

- Failures covered by your vehicle's manufacturer's warranty
- Failures caused by accident, collision, vandalism, or weather-related conditions
- Failures caused by lack of maintenance, or pre-existing conditions

Navigation	•
Audio	•
High-Tech Components	•

The chart above shows examples of covered components for each coverage plan. Please see the applicable product agreement for complete coverage details, including limitations and exclusions.

How it works

1. Coverage runs concurrently with any applicable manufacturer's warranties. Plan expiration is measured in time/miles from the purchase date and odometer reading on purchase date. Term ends upon expiration of either time or mileage, whichever comes first.
2. Platinum exclusionary coverage includes all mechanical parts of your vehicle in the event of a failure, unless they are specifically listed as not covered in the exclusions section of the applicable product agreement.
3. The Optional high voltage battery coverage is not available in California.
4. Towing reimbursement is available up to \$200 per incident if required due to a covered failure.
5. Additional exclusions apply. Please refer to the applicable product agreement for specific coverage details, including limitations and exclusions.

The VroomProtect Electric Vehicle Service Protection product is optional and is not insurance. All transactions related to the optional VroomProtect Electric Vehicle Service Protection product are governed solely by the provisions of the applicable product agreement. Please refer to the applicable product agreement for details of terms, conditions, and specific coverage details, including limitations and exclusions. Coverage and product availability may vary by lender/state.
